2023/2024 Calendar

A copy of the 2023/24 Club Calendar can be downloaded directly from our website. If you would prefer a paper copy, please contact the club office.

Welcome

'Saving Lives, Preventing Injuries, 'Enjoying our Beaches' is our Club vision and I would like to welcome you into the Surf Life Saving movement and wish you all the best in your future endeavours within the City of Bunbury SLSC.

All our members enjoy a rich culture and the proud tradition of Surf Life Saving here in the City of Bunbury SLSC, and you are now part of this fantastic club and the Surf Life Saving movement.

Wearing the traditional red and yellow colours, the City of Bunbury SLSC prides itself on our excellent service to the Bunbury community and the wider South West region. Your membership in our great club has provided you with the privilege to become a true Aussie, Surf Lifesaver in the City of Bunbury SLSC, and I congratulate you for this achievement.

Education, competition, and community service are all on offer to you as a member of our club. The information contained in this package will hopefully provide you with a general overview of all club activities, and at any time please don't hesitate to speak to members of the club for more information.

I encourage you to visit our club website www.bunburyslsc.com.au where you will find all the information on our club history, membership categories, surf sports results, social activities, education and training opportunities, and patrolling information. Our clubs Board of Management, and the Strategic Plan, Constitution and Policies, which guide and govern our day-to-day management and activities, are also presented for your information.

I hope the friendships and skills you gain over your time with us grow and last a lifetime. Remember, you will never be alone wearing the black, white, and burgundy colours of this great club, and the red and yellow colours of Surf Life Saving.

Yours sincerely,

Denise Duncan
PRESIDENT
City of Bunbury SLSC

Woodside Nipper Activities

Sunday morning activities are about educating our club's junior members in water safety, water survival, first aid and resuscitation. The programs have been designed by Surf Lifesaving Australia and it is hoped that our Woodside Nippers will reach cadet and senior levels with confidence, knowledge and efficiency of a skilled life saver.

The Surf Education program provides our Nippers with the opportunity for fun, learning new skills and to develop the concept of a healthy recreational way of life.

First Day on Beach – Sunday, 22nd October 2023, 9.30AM

Age Groups & Cost

AGE GROUP	COLOUR CAP	DATE OF BIRTH APPLICABLE FOR AGE GROUP	MEMBERSHIP FEES (incl GST)
Little Nippers Under 6's (5 yrs old on 30 Sept)	Pink	1 Oct 2017 – 30 Sept 2018	\$180 Includes 1 x Parent/Guardian

Woodside Nipper proficiency

Each nipper will be given a preliminary evaluation prior to commencing any Woodside Nipper activity.

[Friday, 15 September 2023 – 5pm to 7pm and Saturday, 16 September 9am to Noon at Southwest Sports Centre: pay pool entry to get in.](#)

The idea of the proficiency swim is for the Age Group Managers to be given a guide as to the general capabilities of a Woodside Nipper in the water and who to provide additional assistance and support. Children not confident in the water can still come and participate in the land activities.

Specific requirements for each age group:

U8 Minimum depth – 1m

Perform a back or front float for minimum of 5 seconds, recover to stand.

Submerge to retrieve object from bottom of pool with hand (e.g., dive ring)

From pool wall swim on front any stroke (20m) followed by swim underwater (3-5m)

Swim on front through water any stroke 20m, followed by back or front float (5 sec) followed by submerge to retrieve object from bottom of pool with hands. (Do not recover to stand in between each task)

U9 Minimum depth – 1.5m

Perform a front to back float or back to front float – 5 sec each side.

Tread water and/or sculling for minimum 1 min.

Submerge to retrieve object from bottom of pool with hands (e.g., dive ring)

Survival breaststroke and/ or sidestroke and/ or back sculling for minimum 50m

Swim on front through water using combination of breaststroke, sidestroke, freestyle for 50m followed by tread water and/or sculling for minimum 1 min, followed by submerge to retrieve object from bottom of pool with hands. (do not recover to stand in between each task)

U10 Minimum depth – 1.5m

Perform a front to back float or back to front float – 5 sec each side.

Tread water and/or sculling for minimum 1 min.

Submerge to retrieve object from bottom of pool with hands (e.g., dive ring)

Swim on front through water any stroke for 25m followed by survival breaststroke and/ or sidestroke and/ or back sculling for minimum 50m

Swim on front through water using combination of breaststroke, sidestroke, freestyle for 50m followed by tread water and/or sculling for minimum 1 min, followed by submerge to retrieve object from bottom of pool with hands. (Do not recover to stand in between each task)

U11 Minimum depth – 1.5m

Perform a front to back float or back to front float – 5 sec each side.

Tread water and/ or sculling for minimum 2 min.

Submerge to perform forward or backward roll underwater, recover to surface, retrieve object from bottom of pool with hands (e.g., dive ring)

Swim on front through water any stroke for 50m followed by survival breaststroke and/ or sidestroke and/ or back sculling for minimum 50m.

Swim on front through water using combination of breaststroke, sidestroke, freestyle for 50m followed by tread water and/ or sculling for minimum 2 min, followed by submerge to retrieve object from bottom of pool with hands. (Do not recover to stand in between each task)

U12 Minimum depth – 1.8m

Perform a front to back float or back to front float – 5 sec each side.
Tread water and/ or sculling for minimum 3 min.

Submerge to perform forward or backward roll underwater, recover to surface, retrieve object from bottom of pool with hands (e.g., dive ring)

Swim on front through water any stroke for 100m followed by survival breaststroke and/ or sidestroke and/ or back sculling for minimum 50m.

Swim on front through water using a combination of breaststroke, sidestroke, freestyle for 100m, followed by tread water and/ or sculling for minimum 3 min, followed by submerge to retrieve object from bottom of pool with hands. (Do not recover to stand in between each task)

U13 Minimum depth – 1.8m

Perform a front to back float or back to front float – 5 sec each side.
Tread water and/ or sculling for minimum 3 min.

Submerge to perform forward or backward roll underwater, recover to surface, retrieve object from bottom of pool with hands (e.g., dive ring)

Swim on front through water any stroke for 100m followed by survival breaststroke and/ or sidestroke and/ or back sculling for minimum 50m.

Swim on front through water using a combination of breaststroke, sidestroke, freestyle for 100m, followed by tread water and/ or sculling for minimum 3 min, followed by submerge to retrieve object from bottom of pool with hands. (Do not recover to stand in between each task)

Age Group Managers

Our age managers are qualified in either the **SLSA Bronze medallion or Surf Rescue Certificate**. Their responsibilities are to ensure the development of surf lifesaving skills such as surf awareness, surf swimming, board paddling and personal life skills, such as leadership and social interaction.

An age group manager supervises each age group. They **volunteer** their time to instruct and help our Woodside Nipper members through their Sunday morning activities and program.

It is mandatory for all Age Group Managers over the age of 18 to have undertaken **Member Protection Screening**, and SLSA's Child Safe Online course. A **Working with Children Check**. At all times, the safety and wellbeing of each individual Woodside Nipper member is paramount to the Age Group Manager. If you have any queries, please feel free to ask any of our Age Group Managers.

Water Safety

Water safety members will assist our Woodside Nippers during Sunday morning activities. These hard working members are recognised by the orange water safety rashies or vest and orange cap they wear. All water safety personnel are qualified lifesavers with SRC qualifications and/or Bronze Medallion. The ratio for water safety in all water activities is 5 Woodside Nippers to 1 officer.

No water activities will be undertaken if this ratio is not met.

Parents are also encouraged to assist in all activities whether they have SLSA awards or not.

NRC – Woodside Nipper Rescue Certificate

A certificate allowing adult members to act as water safety for deep water Woodside Nipper activities.

Parents who have already completed their NRC will be required to do a proficiency check. We welcome any new and interested parents to complete the assessment (requirement to be full members and have a WWC).

NAA – Woodside Nipper Adult Assistant

Allows SLS adult members to assist with Woodside Nipper activities. These persons can only assist in wading/shallow water activities and must have attended the Woodside Nipper activities safety brief prior to assisting.

We welcome any parent volunteer that holds a current WWC, which has been entered into Surfguard to assist with the Little Nippers (under 6 and under 7 age group).

Little Nippers and parent

It is a requirement at the club that every Little Nipper (under 6 and under 7) joins with a parent/guardian who is then expected to be with our Little Nippers on the beach and in the water. Please see our **Director of Youth, Neil Robertson** if you have any questions regarding any of the above.

Woodside Nipper Club Championships

Woodside Nipper Club Championships will be held over three (3) Sunday mornings during the surf season with points allocated for places and participation in boards, surf race, beach flags and beach sprint events. All our active nippers in the competition age groups (U/8 – U/13) are encouraged to participate.

Round 1 Sunday 17 December 2023

Round 2 Friday 12 January 2024 **Beach sprints & Flags**

Round 2 Sunday 21 January 2024 **Water Events**

Round 3 Sunday 4 February 2024

Dates subject to change – please keep an eye on the website, newsletters, and social media for updates closer to the time.

For those Woodside Nippers interested in further Surf Sport competition opportunities please refer to Surf Sports/Competitions later in this booklet.

Sausage Sizzle

On Sundays after our morning activities the Woodside Nippers have a sausage sizzle on the boardwalk. Sausage sizzles and drinks are sold to raise money for equipment and more importantly allow us the opportunity to sit, relax and discuss the morning in each other's company.

Age group sausage sizzle "rostering" does occur, so please volunteer.

Email our Director of Social Activities, Joseph on dosa@bunburyslsc.com.au if you can spare time Friday evening (6pm to 8pm) or Sunday morning Café or BBQ (9am to 11.30am). This helps keep our meals at low prices.

Club Caps and Clothing

Age group-coloured caps are **compulsory** on the beach every Sunday. It is a way of easily identifying our young lifesavers on the beach and in the water. A Woodside Nipper pack including a high-vis coloured vest; coloured skull cap (based on age group); and a wide brim hat with sling bag will be given to each Nipper up to the age of U13s.

Slip, slop, slap and wrap by ensuring that your children are **wearing their coloured age caps, Woodside Nipper vest, hat, T-shirt, and sunscreen** each Sunday morning, as well as a water bottle.

Please write your **child's first name** on the front of their coloured cap so we all know each other. A **basket** is provided for each age group so that our Woodside Nippers can have their goggles, water bottles, towels, hats and T-shirts close by. This also prevents lost property.

Parents - IMPORTANT

To provide our Woodside Nippers with every opportunity available for them to feel confident and safe on our beach each Sunday, we need you to be **near or with your child**.

We need help with activities, both in and out of the water, to cheer, clap and encourage every effort made by every child. This will in turn see your child become more involved in the sport, to see him or her enjoy and work towards being confident in their skills and to accept all the challenges that the "SURF" offers. It may also help you keep fit, healthy and relaxed.

For more information on Woodside Nipper activities visit our website www.bunburyslsc.com.au or contact our Director of Youth – Neil Robertson - doy@bunburyslsc.com.au

Surf Sports/Competition

Woodside Nippers

Surf Lifesaving WA (SLSWA) conducts Woodside Nipper competitions throughout the surf season in both metropolitan and regional areas. Some of these competition carnivals are held in Perth and the City of Bunbury Surf Life Saving Club.

CHECK THE CLUB CALENDAR FOR VENUES AND DATES

The Woodside Nipper competition age begins in **U/8's through to U/13's** and our Nippers participate in all the surf disciplines, which include surf race, boards, beach flag and beach sprints and a range of relay events.

To maintain safety in surf competition the minimum requirements for competitors to compete in carnivals is as follows:

SWIM	Under 8	Minimum 100m open water swim in 9 minutes
SWIM	Under 9	Minimum 100m open water swim in 8 minutes
SWIM	Under 10	Minimum 150m open water swim in 12 minutes
SWIM	Under 11	Minimum 288m open water swim in 9 minutes
SWIM	Under 12	Minimum 288m open water swim in 9 minutes
SWIM	Under 13	Minimum 288m open water swim in 9 minutes

Training

Surf Sports Competition training is held through-out the year. Specialised skill work and general physical skills are focused on during these sessions.

Each participant is encouraged to have fun and to achieve their full potential in a challenging and stimulating environment. **The emphasis is not on winning**, but on doing their best so that an enjoyable and successful experience for our competitors is achieved.

Training Schedule 2023– 2024

Commencing October 2023

- All water training is at Back Beach unless otherwise specified.
- Beach Sprint training TBC

MONDAY	6:00 AM	Swimming SW Sports Centre	5:00 PM	Ski Training Boards Training Development

For more information on Surf Sports, Paddling, Competition or Training visit our website. or contact our Director of Surf Sports – Chris Neaves - doss@bunburyslsc.com.au

Lifesaving

The club's patrolling season starts at the beginning of October, and we provide essential watch over Back Beach and Koombana Bay over the summer months. In addition, our patrolling members also provide water safety to all the major water based community events held in the South West including the Busselton Jetty Swim and local triathlons.

For more information on our patrols, water safety and how you could get involved with Lifesaving in Bunbury visit our website www.bunburyslsc.com.au or contact

Director of Life Saving – Gary Carthew - dols@bunburyslsc.com.au

Education & Training

Surf Life Saving Awards

The City of Bunbury SLSC places a high priority on education. Whether its ensuring members are adequately prepared to perform rescues, introducing children to safe choices at the beach or educating members of the public in first aid and CPR, we are committed. Member Education is vital in ensuring members are equipped with the correct skills to perform the primary aim of surf lifesaving "Patrolling the Beach" and offer the following courses to our **fully registered and financial members**:
